

## 2007 WORK ZONE SAFETY POCKET GUIDE

### ORDER FORM

The 2007 Work Zone Safety Pocket Guide is a 3 ¾" by 7", 72 page, spiral bound color laminated guide based on the *2005 Virginia Work Area Protection Manual*. It consists of over twenty of the most commonly used work zone typical application diagrams, as well as easy to read information vital for proper work zone installations. The pocket guide was developed for field personnel responsible for the installation and removal of temporary traffic control. The cost of the pocket guide is \$ 4.00 each that includes tax at 5 percent. Payment is required when placing an order. Payment may be made by **check** made payable to the “*Treasurer of Virginia*” and mailed to the following address:

**Virginia Department of Transportation (VDOT)**  
**Attention: Laura White**  
**Traffic Engineering Division**  
**1401 East Broad Street**  
**Richmond, VA 23219-1939**
